Hi Katie,

Thank you for the wonderful presentation you shared with us at our 20th annual Farm Credit Services of ND's Farm Women's Forum held February 19, 2014 in Minot, ND. It truly was a fun and energetic day!

It is both an honor and a privilege for me to write a letter of recommendation.

The over 150 women in attendance noted great comments on your presentation. These women appreciated not only the quality of the information you shared, but also the heart-felt integrity of really understanding their lives as rural farm women and the challenges they face.

Many women wrote it was simply "awesome." They felt the information that was presented helped boost their confidence and they left feeling "stunning and beautiful!" What a gift you have given them!

They enjoyed listening to the real stories to which they could all relate. It was as if you were one of them – and you are! A very hard working, diligent, honest, easy to get-to-know person with a fabulous spark of motivating energy that fills a room!

You bring the gift of communication to others in a way that inspires them in a very open and encouraging, down-to-earth and welcoming style.

I would highly recommend you (Katie) for any speaking event. You are so easy to work with and took the time to make the event special for the specific audience. I would be happy to share my experience working with you with anyone interested!

Best regards,

Teresa Kjellberg
