

Dear Event Planner,

If you are looking for a speaker who can inspire your audience through relatable stories and a purely genuine heart; and energize your audience with her highly contagious momentum; all while having your audience rolling on the floor in laughter: Katie Dilse is your perfect choice.

As the host and event planner of CONNECT: The Heart of the Farm – Celebration of Women in Farming, I can tell you that Katie Dilse was a true pleasure to work with. I received her name from a participant of my conference the year prior. The participant wrote me an email saying, “you have to hire Katie Dilse – she is the perfect fit for your conference!” I contacted Katie and immediately felt a connection to her positive energy. I felt this positive energy throughout the entire planning process leading up to the event. It was very obvious that Katie thoroughly researched the group that she would be speaking to in order to tailor her talk directly to the audience.

Katie gave an outstanding performance of her keynote: “Life is a Highway – Roll On;” where her talent was appreciated with a standing ovation that no other speaker has ever received. Months later, many guests and conference staff still continue to rave about Katie Dilse and ask me when I will have her back again. I will most certainly hire Katie again and I look forward to future opportunities to work with Katie and bask in her contagious spirit.

My kindest regards,
